DESCRIPTION OF 1942 STARLIGHT STREET ANGLETON, TEXAS 77515

The Young floor plan is a spacious and functional one-story design offering 4 bedrooms, 3 full bathrooms, and a convenient two-car garage. This layout is ideal for modern living, with an open flow connecting key spaces like the great room, dining area, and kitchen, all perfectly positioned for both everyday activities and entertaining guests. The large kitchen features ample counter space, an island, and a pantry, providing plenty of room for storage and meal preparation. A cozy covered patio just off the dining room creates a seamless connection to the

outdoors for relaxation or casual dining.The primary bedroom suite is privately located and includes a luxurious bathroom and a generously sized walk-in closet. Three additional bedrooms are thoughtfully positioned throughout the home, with Bedroom 4 featuring its own access to a full bathroom, making it perfect for guests or multi-generational living. A flex room near the center of the home offers versatility, allowing you to create a home office, playroom, or hobby space that suits your needs. Designed with comfort and efficiency in mind, the Young floorplan combines modern features and a practical layout, making it an excellent choice for those seeking a stylish single-story home with plenty of space for family and friends.
